BOOMER
CONSULTING, INC.

Your industry, your peers, your community.

The BKN is an online community of accounting firms that share best practices and insights while enjoying exclusive access to business tools and intelligence available only for members. Its membership encompasses thought leaders in the accounting profession with expertise in technology, practice management, human resources, training and learning and more!

Community

- Open, honest discussions about products, services and people
- No fluff or product pitches — just straight talk from those who have been there, done that
- Relevant solutions to the way accounting firms do business

Insight

- Forward-thinking ideas and leading edge technology
- Relevant & timely insights from the Boomer team of experts and partners
- Action-oriented answers to your most pressing and immediate challenges

Resources

- Access to the entire set of Boomer's acclaimed *Advantage Guides*[™]
- A knowledge base of planning forms, process checklists, job descriptions and more
- Full-length, video presentations from some of the nation's most popular and knowledgeable business speakers
