OVERVIEW

Jon Hubbard is a nationally recognized consultant, keynote speaker and thought leader helping accounting firms drive strategic growth, enhance client relationships and develop future-ready leaders. As a Shareholder and Chief Growth Officer at Boomer Consulting, he leads several peer networks and serves as the Director of the Boomer Circle Summit, where firm leaders exchange ideas, share best practices and develop strategies to navigate growth and change. Jon is passionate about helping firms embrace change, leverage technology and create a culture of innovation.

Jon speaks at various industry conferences, user conferences, state societies and associations. He is a StoryBrand Certified Guide and Certified Kolbe Consultant.

KOLBE

Jon's Kolbe™ profile indicates that he is "deliberate in action while diplomatic in tone, seeking consensus wherever possible. With an eye for detail, Jon advances uniformity to standards while maintaining an openness to change for the best outcome of any initiative."

UNIQUE ABILITIES

Jon is a careful analyzer and interpreter of complex systems and knowledge, and when planning, he is attentive to potential unforeseen detours and can use his skills as a process thinker to devise alternatives whenever possible. He is a natural organizer and tactician who offers a sense of order and subtle urgency to implementing firm objectives.
