Chief Innovation & Technology
Officer

Keynote Speaker
People-First Technology Strategist
Innovation Advisor

Marc Staut is the Chief Innovation and Technology Officer at Boomer Consulting, Inc. With a degree in psychology and a career that includes nearly every role in technology, Marc brings a refreshingly human approach to tech strategy and innovation in accounting. He's a nationally recognized speaker, a trusted advisor to top firms and the creator of the beloved "What's in Your Bag?" series, known for blending practical gadgets with road warrior wisdom. Whether he's talking about tools or transformation, Marc inspires audiences to think differently about how technology and people work together to drive lasting change.
